

IMPACT

HOME & AWAY

In helping you consider what God would have you give toward this vision, think about the principles God has already given us.

1. STEWARDSHIP - This principle recognizes that God already owns all that we possess. He provides the resources for our individual lives and through us, the resources for His church to carry out His will. We are accountable to Him for the resources that He has entrusted to us.

2. VOLUNTARY - This principle reflects on Paul's direction in 2 Corinthians 9:7, "Each man should give what he has decided in his heart to give, not reluctantly, for God loves a cheerful giver."

3. SACRIFICIAL - This principle helps us understand that denying self and giving to the Lord are qualities that God honors. Scripture makes it clear that God measures the gift not in comparison to others, but in relation to our individual resource -- not equal gifts, but equal sacrifice.

4. COMMITMENT - This principle challenges every Christian to not only determine what to give, but to follow through by giving that amount faithfully.
