KEY SCRIPTURE:

Exodus 32:1-4

Luke 10:24-37

1. Are there people in your life who simply need to belong? If so how are you reaching them with the gospel? If not, is there a way you can meet with those who need Jesus in our community?
2. Are you willing to save some theological/political discussions for those who already believe, and focus on the person of Jesus when speaking with those lost or seeking?
3. Why do you think it is so difficult at times to trust that one's behavior and theology will change once he or she has an encounter with God? Is it a trust thing?
4. How can we ensure we are a Church community who is attractive to the lost while defending the Truth of scripture?
