Key verses: Luke 24:13-35 ESV; Luke 22:19; Luke 9:16; Luke 14:35; John 6:35

- 1. Have you ever been in a “taking phase?” What was it like and why do you think we resist this phase/season so much?**
- 2. What is the most recent time you experienced a blessing phase in your life? How can we use our blessing phases to bless those around us?**
- 3. Have you ever experienced a breaking phase? How did God use that phase to bring you closer to Jesus?**
- 4. We are all taken, blessed, and broken to be given to others for God’s glory. What specifically is God giving you to in this season? Maybe a ministry, a project, a group of people where you’re being called to serve?**
