

SACRED VS SECULAR

KORY CASSELL • 18 SEPTEMBER 2022

1. Is there a religious line/boundary that you've drawn or something you've heard in church in the past that you realize may not be in the bible?
2. Is there a place in your life (a platform He has given you) that you feel that God has specifically equipped you to reach unchurched friends?
3. Is there an area of your life where you feel like you keep getting knocked down, but today is the day you want to get back up, with God's help, and try again?
4. So often Christian preach convictions instead of bringing confessions to other people. Is there a conviction you've been putting on others that you need to rethink as a confession?
