

Appetites

/ Travis Rea

The definition of an appetite is:
A strong desire to satisfy a need.

These needs can be placed in 3 different appetite categories:

- A need for Power
- A need for Pleasure
- A need for Possessions

Genesis 1:26-29

pg. 2

Genesis 3:2-6

pg. 3

Our sinful appetites want us
to sacrifice our future for the present.

Genesis 25:29-34

pg. 25

Beware of the bowl. What's your bowl?
What sinful appetites are holding you
back from your God sized potential?

“Beware of the temptation of what
you need most for what you want now.”

Our human appetites will always tempt us to meet our wants now. But Jesus teaches us the importance of delaying our immediate wants for future blessings.
