1. Read Revelation 3:1-6. How does the tone of Jesus' letter to the church in Sardis strike you? Can you hear the concern? The urgency?
2. What reputation did the church in Sardis have? Why do you think that they had that reputation?
3. When Jesus says that Sardis is "dead" what do you think He meant?
4. How might have Sardis' wealth and influence colored their world view?
5. All through scripture we have many warnings to "wake up", how does this exhortation apply to us today?
6. This next question is perhaps between you and God, but if you feel so led, please share with your group. Is there anything God is calling you to wake up from? Is there any area where you need revival in your life?
