NOTE: There are more questions below than you are expected to answer. Please just choose a few that are relevant for your personal reflection & application.

1. What was your major takeaway from the message this morning?
2. (Scale 1-10) How intentionally do you live 'life in between'?
3. How did this message change your perspective as it relates to the reason Jesus died? Did you learn anything new?
4. What did you see in Jesus' 'life in between' that will influence yours?
5. "The church was patterned after the synagogue customs that Jesus followed." How can understanding Jesus' actions in the synagogue and the conflict it caused help our church avoid the same mistakes these deeply religious people made?
6. (Scale 1-10) How able are you to switch from using religious language that encourages Christians to ordinary, everyday language that inspires unbelievers? How easy is that for you?
7. Jesus made room for those who never have felt at home in a 'holy place'? How can we - our church, your small group - do the same? In what ways do Christians 'clutter' the church?
