Calling to a New Path (Sending Sunday)

10/23//2016

NOTE: There are more questions below than you are expected to answer. Please just choose a few that are relevant for your personal reflection & application.

1. What was your major takeaway from the message?
2. What was new to you about God's calling of Moses to a new path?
3. Brad's core idea was "When God calls us to a new path, He doesn't call us to be something we're not. He calls us to be more who we've been all along!" Where have you seen this truth play out in your story?
4. When has your name been called twice? How did you know God was calling you a new path?
5. Moses went from Egyptian Prince to Shepherd. Though he likely perceived this to be a demotion, God no doubt saw it as a promotion. Do you currently find yourself in a place that feels like a demotion? If so, how can you be faithful in that role at this time in your life?
6. What are your thoughts about God calling Moses at 80 years old for his most significant task in life? If you're older in life, do you believe God can still use you? Are you checking out, or actively listening for your name to be called twice?
7. What typically holds you back from trying something new or stepping out in faith? Safety? Finances? Fear of failure? Present comforts? Concerned what friends or family will think?
8. Has God been calling your name twice? If so, what are doing about it?
